Actors and SM please email me ASAP your availability for this weekend, the coming week, and next weekend for our readthrough. Once we schedule it all crew will be invited.

CREW:

The following is your "home base crew". It is the expectation for this show that all scenic/lighting/sound attend each other's crew calls and costume/props attend each other's crew calls. Traditionally in the Thespian Show we ask crew members to attend all crew calls so that you get the opportunity to work on many different crews and learn different skills. We will schedule crews so that we can accommodate this.
