

Little Shop of Horrors

COMPANY LIST

Thank you to everyone who auditioned and attended crew interviews.

This was an extremely difficult company to cast.

Please be proud of your work and effort during this process.

We will have our first company meeting tomorrow (WEDNESDAY) at 3:30pm in the Black Box Theatre. All CAST, CREW HEADS and PRODUCTION CREW MEMBERS should attend.

**** Choir Board Members - please come to the company meeting immediately after your meeting ****

ARTIFACT PRESENTATION

For Wednesday, all cast, crew heads and production crew members should bring an ARTIFACT (a secret item in a bag) and be ready to tell a brief story about something that you were passionately obsessed with to the degree that it took up too much of your time.

Little Shop of Horrors is a parody of how you can be so dedicated to something that it can take over your life. As a bonding experience, we are asking each company member to choose something from your life (childhood until now) that you have been so passionate about that you have let it “temporary” take over your thoughts, your free time or that has distracted you from what is important. Examples could include a video game, a tv show you have binged, a concert ticket that you spent WAY too much time trying to get into, a book you couldn't put down, etc.

*Be sure to bring this item with you (or a picture/part of the item) with you to our company meeting. **DON'T TELL ANYONE WHAT YOU BROUGHT.** We will present these one-by-one with a brief (less than 30 second) story of why you were overly-obsessed with this item.*
